

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

Hon. Janet T. Neff

v.

Case No. 1:20-cr-00156

DWAYNE DESHAUN PARKS,

Defendant.

\_\_\_\_\_ /

**ORDER OF DETENTION**

This matter is before the Court on the government's motion for pretrial detention. Defendant has been charged in a three-count Indictment. Count 1 charges him with conspiracy to distribute and possession with intent to distribute methamphetamine, in violation of 21 U.S.C. §§ 846 and 841(a)(1); counts 2 and 3 charge defendant with possession with intent to distribute methamphetamine, in violation 21 U.S.C. § 841(a)(1). Given the nature of the charges, there is a statutory rebuttable presumption in favor of detention.

The government sought defendant's detention on the basis that he is a danger to the community, 18 U.S.C. § 1342(f)(1), and that he poses a significant risk of flight, 18 U.S.C. § 3142(f)(2)(A). The Court conducted a hearing on November 5, 2020, at which defendant was represented by counsel.

Having considered the information presented at the hearing, the parties' oral submissions, and the information in the Pretrial Services Report, and for the reasons stated on the record, the Court finds that defendant has rebutted the statutory

presumption of detention as to danger to the community and significant risk of flight. The Court also finds, however, as explained on the record, that the government has met its burden by preponderant evidence that defendant poses a significant risk of flight and by clear and convincing evidence that he poses a danger to the community. The Court further finds that there is no condition or combination of conditions that will ensure the appearance of defendant and the safety of the community. Accordingly,

**IT IS ORDERED** that defendant is committed to the custody of the Attorney General pending trial.

**DONE AND ORDERED** on November 5, 2020.
